

Blood Brothers — scene focus notes

CCDesigner prototype overview — original outlines for demo planning only. Not a paid publisher pack. Logos and product names do not imply endorsement.

Useful moments for practical work

- Childhood games / Marilyn Monroe motif
- Narrator interventions and omen sequences
- Mickey / Eddie reunion (class gap through proxemics)
- Final confrontation / design for fate and tragedy

Directing questions

Where is the class gap clearest without dialogue?

How does the Narrator shape audience irony?

Which physical detail most clearly signals class?
