

We Teach Drama — Think Like a Designer (overview)

CCDesigner prototype overview — original outlines for demo planning only. Not a paid publisher pack. Logos and product names do not imply endorsement.

Key stage & curriculum

Ages 13+ · Year 9 upwards · KS3/KS4 design curriculum. Inspired by Think Like a Designer Student Workbooks (set, costume, lighting, sound) with professional video content.

What the shop pack covers (public listing)

- Step-by-step student workbooks (editable/printable) + teacher notes
- Video content with theatre-makers; intelligent lights; QLab tutorial
- Sustainable theatre & Katie Mitchell design thinking; designer-role posters

Prototype lesson sequence (2 × ~60 min)

1. Think like a set & costume designer — mood board !' design intention !' just scene.
2. Lighting & sound for meaning — cue a moment of tension and a moment of intimacy; write designer vocabulary.

Example lesson deep-dive — Set & costume

Starter (10): Spot the design that communicates status without dialogue.

Develop (25): Sketch a set/costume concept linked to one clear intention.

Apply (15): Peer pitch — “My design makes the audience feel... because...”

Plenary (10): Key term retrieval (silhouette, palette, texture, practical vs decorative).
