

We Teach Drama — Explore Practitioners Bundle (overview)

CCDesigner prototype overview — original outlines for demo planning only. Not a paid publisher pack. Logos and product names do not imply endorsement.

Key stage & curriculum

Ages 14–18 · GCSE & A-Level. Inspired by Explore Practitioners: Complete Lesson & CPD Bundle (£99) — Stanislavski, Brecht, Berkoff and Edward Gordon Craig packs with CPD talk-throughs.

What the shop pack covers (public listing)

- Four teaching packs + four one-hour CPD webinar replays
- 12+ hours of practical workshop material across the four practitioners
- Ready-to-use stimuli/handouts; suitable for departmental CPD

Prototype lesson sequence (2 × ~60 min)

1. Stanislavski & Brecht contrast — naturalistic detail vs alienation / gestus in the same stimulus.
2. Berkoff & Craig studio stations — heightened physical style vs scenic/symbolic design thinking.

Example lesson deep-dive — Stanislavski vs Brecht

Starter (8): Two captions — “believe” vs “show the system”; students place themselves.

Develop (28): Same short scene twice — once with objectives/given circumstances, once with placards/direct address.

Apply (14): Write a comparison paragraph using practitioner vocabulary.

Plenary (10): Which approach best serves the political or emotional intention — and why?
