

We Teach Drama — Theatre Design Challenge Mats (overview)

CCDesigner prototype overview — original outlines for demo planning only. Not a paid publisher pack. Logos and product names do not imply endorsement.

Key stage & curriculum

KS3–KS5. Inspired by Theatre Design Challenge Mats — 100 tasks across set, costume, lighting and sound (£48), with teacher notes, answers and certificates.

Classroom uses (from public listing)

- Knowledge-rich design curriculum stretch
- Independent study / homework / GCSE design specialists
- Displays, revision, and meaningful cover work
- Supports Think Like a Designer workbook content

Prototype lesson sequence (2 × ~60 min)

1. Set & costume challenge mats — timed stations; record intention + audience effect for three challenges.
2. Lighting & sound challenge mats — design two contrasting cues for the same beat of action.

Example lesson deep-dive — Lighting & sound mats

Starter (5): Match cue words to design tools (gobos, underscoring, diegetic sound).

Develop (30): Rotate challenge cards; annotate answers using teacher-note style justification.

Apply (15): Build one “wow” cue sequence for a short freeze-frame story.

Plenary (10): Award a mini certificate criterion — clarity of intention.
