

# We Teach Drama — Explore Katie Mitchell (overview)

CCDesigner prototype overview — original outlines for demo planning only. Not a paid publisher pack. Logos and product names do not imply endorsement.

## Key stage & curriculum

Ages 14–18 · GCSE & A-Level. Inspired by Explore Katie Mitchell: Complete Teaching & CPD Pack (£35) — workshop plans, slide deck, CPD webinar, Live Cinema focus.

## What the shop pack covers (public listing)

- Naturalism, Live Cinema, voice-over and staging workshops (~3 hours practical material)
- Contextual stimuli on Mitchell's methods and influences
- Differentiation / scaffolding for exam-level study; printable handouts/posters

## Prototype lesson sequence (2 × ~60 min)

1. Naturalism & given circumstances — build detailed character circumstances; slow-tempo detailed action.
2. Live Cinema staging sketch — storyboard camera/stage relationship; voice-over vs live action experiment.

## Example lesson deep-dive — Live Cinema sketch

Starter (8): Clip-style discussion — what does the camera notice that the stage audience might miss?

Develop (25): Groups stage a 30-second naturalistic moment + one “camera” viewpoint.

Apply (17): Add a short voice-over layer; decide what remains live.

Plenary (10): Evaluate control, detail and audience focus using Mitchell-linked vocabulary.
