

We Teach Drama — Explore Complicité (overview)

CCDesigner prototype overview — original outlines for demo planning only. Not a paid publisher pack. Logos and product names do not imply endorsement.

Key stage & curriculum

Ages 14–18 · GCSE & A-Level. Inspired by Explore Complicité: Complete Teaching & CPD Pack (£35) — ensemble / physical storytelling workshops with CPD webinar.

What the shop pack covers (public listing)

- Ensemble, physical theatre, text and storytelling (~3 hours practical material)
- Contextual stimuli on training, influences and rehearsal processes
- Mixed-ability differentiation; printable handouts/posters

Prototype lesson sequence (2 × ~60 min)

1. Ensemble & physical storytelling — chorus movement, shared impulse, image theatre.
2. Text into physical theatre — transform a short extract into gesture-led ensemble score.

Example lesson deep-dive — Ensemble storytelling

Starter (8): Pass-the-impulse circle; build precision and group timing.

Develop (25): Create three linked ensemble images for a journey / conflict / resolution.

Apply (17): Add one spoken line per image; keep physical clarity first.

Plenary (10): Name one Complicité-linked habit that improved the work (listening, risk, collaboration).
